SHANGHAI JIAO TONG UNIVERSITY

## RECRUITING TOP MATHEMATICIANS

Shanghai Jiao Tong University, one of the top-five universities in China, is undertaking a major expansion aimed at becoming one of the world's leading centers of scientific research. Building a first-rate Department of Mathematics is an essential part of this endeavor. SJTU is rolling out an ambitious faculty recruitment program to attract several dozens of faculty members at all levels from senior academic leaders to promising young researchers. The compensation packages are competitive with the peer institutions in China, and could be at the international level in special cases.

Candidates will be considered at all ranks, and in all major fields of modern applied and pure mathematics. Endowed Chair Professorships are available to senior mathematicians with well-established academic credentials. Other senior and junior professorships are open to candidates with exceptional research records or potential.

Applications should consist of a curriculum vitae that includes a list of publications and summary of future research plans, and four letters of reference. Application materials should preferably be electronically submitted to [wkwang@sjtu.edu.cn](mailto:wkwang@sjtu.edu.cn)

The application packet can also be mailed to
